Pursuant to the creation of Republic Act No. 10625 or also known as Philippine Statistical Act which provides that the Philippine Statistics Authority (PSA) is mandated to create the Philippine Statistical Development Program (PSDP). In relation thereto, the Regional Statistical Development Program (RSDP), being the regional/local counterpart of the Philippine Statistical Development Program (PSDP), is tasked to set the directions, thrusts and priorities of the Philippine Statistical System for the generation and dissemination of statistical information used in policy and decision-making at the local level. It also serves as basis of the local executives and regional officials in addressing statistical development concerns through programming and allocating resources for statistical programs and activities in the regular work plans of regional line agencies and local government units. Furthermore, with the emerging concerns such as climate change, disasters and emergency threats to peace and order, security and poverty, the RSDP aims to provide reliable statistics that aide in charting and tracking the progress of the region in addressing these challenges.

The Philippine Statistics Authority (PSA) – ARMM, designated as the Co-Chair and Secretariat of the Regional Statistics Committee (RSC) in ARMM, is currently drafting the ARMM RSDP for 2017-2023 which shall be completed on **March 2018**. We distributed request letters and RSDP Forms 1 and 2 to different line agencies of ARMM to gather information about their 2017 accomplishment report and five year work plan for statistical development. (*Copy of the letter attached*)

In relation to this, we are respectfully requesting your office to support and assist us through the issuance of a **memorandum** addressing all concerned line agencies to urgently fill-in the **RSDP Forms 1 and 2** which will serve as our primary basis in drafting the ARMM RSDP for 2017-2023 and submit it to our office on or before **14 February 2018** to give us enough time to consolidate all the reports.

For any clarification on this matter, please contact our Focal Person Ms. Sittie Asmalia D. Cornell through (064) 552-3206 / 09091192001 or email her at sadcornell.psaarmm@gmail.com.

Thank you for your cooperation.

Very truly yours,

BABUBAKAR S. ASAAD, Ph.D.

Dear Sir/Maam,

Assalamu Alaikum!

The Regional Statistical Development Program (RSDP), being the regional/local counterpart of the Philippine Statistical Development Program (PSDP), is tasked to set the directions, thrusts and priorities of the Philippine Statistical System for the generation and dissemination of statistical information used in policy and decision-making at the local level. It also serves as basis of the local executives and regional officials in addressing statistical development concerns through programming and allocating resources for statistical programs and activities in the regular work plans of regional line agencies and local government units. Furthermore, with the emerging concerns such as climate change, disasters and emergency threats to peace and order, security and poverty, the RSDP aims to provide reliable statistics that aide in charting and tracking the progress of the region in addressing these challenges.

The Philippine Statistics Authority (PSA) – ARMM, designated as the Co-Chair and Secretariat of the Regional Statistics Committee (RSC) in ARMM, is currently drafting the ARMM RSDP for 2017-2023 which shall be completed on March 2018. As one of our data stakeholders, we would like to gather information about your agency's 2017 accomplishments and five-year work plan for statistical development. Kindly fill-in the attached **RSDP Forms 1 and 2** to serve as our primary basis in drafting the said program.

We would highly appreciate if the requested forms can be made available to us on or before **14 February 2018** to give us enough time in consolidating reports from other agencies.

For any clarification on this matter, please contact our Focal Person Ms. Sittie Asmalia D. Cornell through (064) 552-3206 / 09091192001 or email her at sadcornell.psaarmm@gmail.com.

Thank you for your cooperation.

Truly yours,

ABUBAKAR S. ASAAD, Ph.D.
Regional Director

Regional Statistical Development Program

SWOT ANALYSIS

Worksheet Form No. 1

STRENGTH	WEAKNESSES
Example: presence of unified database system among agencies	Example: Some of the data requirements are not generated in the region
OPPORTUNITIES	THREATS
Example: Availability of Statistical Trainings	Example: Changes in leadership
