As active partners in development and in the delivery of basic social services particularly health, we are very much happy that our municipality is a recipient of Grass Root Budgeting Program of the National and the ARMM governments, formerly Bottom-Up-Budgeting (BUB 2013).

I am writing this letter to inform your good office that the stated above project until now will not implemented, despite the constant follow up made by our employees, both personal and writing. In fact, we received a letter dated August 10, 2015 from the office of the Regional Secretary, Department of Health, ARMM it mentioned that their office will constantly coordinating with the DOH Central for the implementation of the project and assured that they keep updating our office of any development of this project, but sad to say until now we have no receive any communication.

As a Local Chief Executive of Pualas, Lanao del Sur, I am duty bound to protect the interest of my constituents, that is why am writing this letter, asking your good office to mandate the concern agency to facilitate the immediate release of the funding appropriated for the above mentioned projects.

I am confident that, this request will be given an immediate response by your office, with the assurance from our end to continuously support your endeavor.

Thank you and more power,

HON. SHARIFULLAH ADIONG TANOG
Municipal Mayor
